

GREEN LIGHT FOR NEW COMMUNITY CENTRE IN HAYWARDS HEATH

Nicholas Soames has expressed his delight at the success of the Ashenground Community Centre project.

Nicholas has been working closely with the Committee to make the new £630,000 community centre in Haywards Heath a reality. The new Hall will replace the Ascension Hall in Vale Road - the building work will commence in January.

Nicholas said; "I am absolutely thrilled that the project has been given the green light. I have worked closely with the Committee and I was delighted to be able to offer my support and advice. This is a wonderful community project which is exactly what the National Lottery was set up to support. The commitment of local people of all ages and backgrounds is undoubtedly the key to this success."
