

27th April 2007

SOAMES CHAIRS CARERS' SEMINAR

Nicholas Soames chaired a Carers' seminar on behalf of the Carers Support Service on Friday 27th April in Haywards Heath.

The meeting was attended by carers and representatives from organisations which support carers such as; Mid Sussex District Council, West Sussex County Council, West Sussex Primary Care Trust and Age Concern.

Nicholas Soames said; "It was an extremely useful meeting and it provided a good opportunity to discuss the many difficulties that carers still have even with the help available to them."

Nicholas chaired a similar meeting in East Grinstead last year.
